MEMORANDUM FOR: Director of Personnel

SUBJECT

:

[Redacted]

25X1

[Redacted] advised me that he is concerned over his reserve status inasmuch as he recently was assigned to a new active reserve unit and worries that he might be called to active duty in the Air Force in the event of a crisis. I reassured him that it was my understanding that all of our career officer personnel considered essential by the Agency had mobilization assignments to the Agency and therefore would not be called to active duty with the Air Force. However, I told him that I would check on this upon my return and insure that this was the case. Would you please do this and advise me.
